2020 Operation Round Up Star Light Award

The Operation Round Up Star Light Award is an educational grant program designed to provide support to teachers for the direct purpose of improving learning through a specific lesson and/or project in the classroom using innovative or creative techniques.

Eligibility: K-12 teachers in accredited public and private schools within the Baldwin EMC (BEMC) service area are eligible to apply. (Schools/teachers do not have to receive electricity from BEMC.)

Application: Applications will be accepted by mail or in person at any BEMC office location. The deadline for receipt of completed applications is by close of business on **November 2, 2020**. Incomplete applications will not be considered, mailed back, or kept on file. All repeat applicants must submit a new completed application. Applications must be typed and adhere to assigned word limits. Additional paper may be used if necessary. Handwritten applications will not be accepted. All applications must be filled out completely and be accompanied by requested documentation for consideration.

Award(s): If approved, grant(s) will not exceed \$1,000.

Consideration Process: All completed applications will be presented to the Operation Round Up Board of Directors for consideration. Grant funds are administered by nine volunteer members of the Baldwin County Electric Membership Charitable Foundation who represent the geographic areas where BEMC has electric service. The decisions made by the Board are based on the amount of funding available and the needs presented. Qualifying grant(s) will be awarded for classroom lessons and projects. They are not intended for professional development or the purchase of computers, laptops or tablets. Only one grant will be considered per project per school.

Successful applicants will be able to demonstrate how this specific project or lesson plan meets the following criteria:

- Innovative, creative learning experiences for students (40 percent)
- Clearly defined plan of implementation (30 percent)
- Benefits and directly involves students (20 percent)
- Involves teamwork (5 percent)
- Provides an adequate budget summary (5 percent)
